

COME JOIN THE STAFF & STUDENTS OF CANBERRA SECONDARY SCHOOL

Principal
Leong Kok Kee

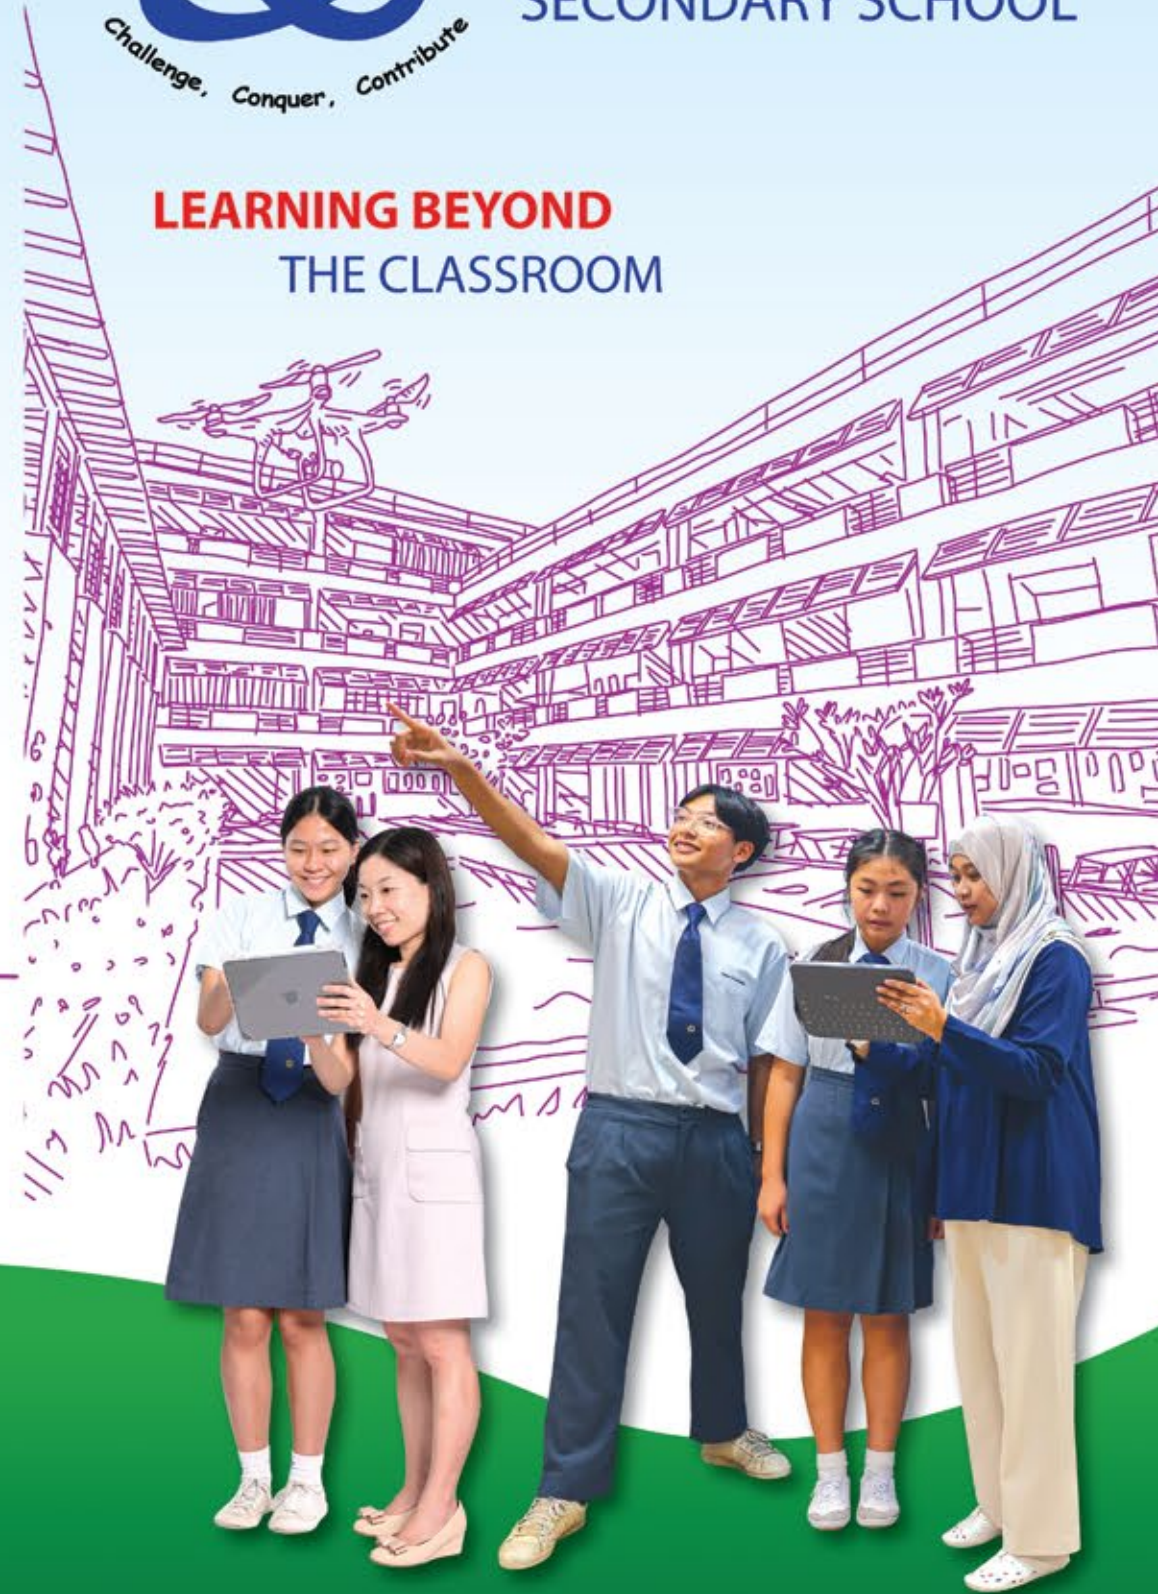

Guided by our School Motto of "Challenge your potential; Conquer your aspirations; and Contribute to society", our school's vision is to nurture a community of Grateful, Respectful, and Compassionate individuals who are appreciative of the world around them, respectful of one another's differences and perspectives, and compassionate in their actions towards those in need. Through this vision, we aim to develop responsible, empathetic, kind and socially conscious individuals who, as they grow and learn, will make a positive impact on their communities and the broader society.

**We Lead, Care, Inspire,
For the Future of the Nation Passes through Our Hands.**
And this is what we are committed to do.

Welcome to the CANBERRA Family

In **Canberra**, our vision is to nurture the Grateful, Respectful and Compassionate (GRC) Canberrans via a multi-pronged approach to develop students who are Grateful to their parents, are Respectful towards their teachers and have a Compassionate heart to save the community.

Canberra Secondary School delivers a comprehensive curriculum with customised programmes to support the varied learning needs and interests of our students, emphasising leadership, self-direction and teamwork. Our holistic Total Curriculum, aligned with the school's Vision and 21st Century Competencies, prioritises skills like adaptive and inventive thinking, civic literacy, and effective communication. We are not only preparing students for the present but also for the future of learning, cultivating their ability to be future creators, connectors and contributors.
